

EI-7006 Video Dolly

Super sturdy, designed for heavy duty systems. The 100mm/4 inch wheels can be individually braked. Includes a 100mm bowl attachment which allows you to attach head for lower angle shooting. Folds for transporting.

Leg setting rubber.

100mm bowl size.

Pull the knob to extend the dolly, easy to go out.

High quality aluminum tube.

Each wheel incorporates its own foot-activated brake.

The rubber wheels are non-marring during normal use, protecting the floor surface.
