

# PAD-C1

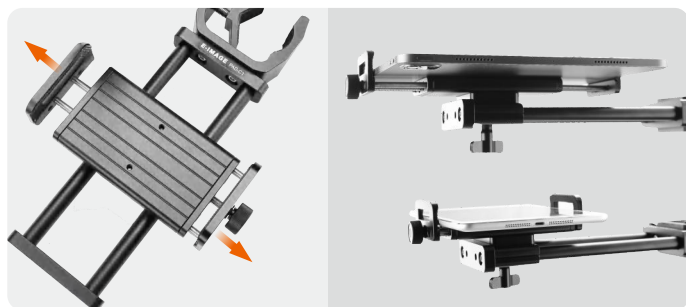

## Tablet Mount For 8" to 13" Tablet/iPad

The E-IMAGE PAD-C1 tablet clamp mount features an adjustable clamp that fits tablets from 8" to 13". It also includes a tube clamp that attaches to round tubes with a diameter of 22-45mm, compatible with E-IMAGE TPS series teleprompter stands.

## Features

Spring-and-knob design ensures even clamping force for consistent grip across different iPad sizes.

The tablet clamp can rotate 360°.

15cm sliding range for tablet position adjustment.
